PROFESSIONAL PROFILE

UX/UI Designer and Fullstack Developer with a background in Interaction Design and full-stack development. Experienced in user research, user interviews, prototyping, and delivering accessible, user-centred digital products. Proficient in React, TypeScript, Node.js, and modern front-end tooling, with hands-on experience in QA and localisation testing. Works fluently in Swedish and English, with a track record of working across international teams in Sweden and Spain.

SKILLS

UX / UI Design	Figma · Adobe XD · Sketch · Adobe Illustrator · Photoshop · Useberry · Maze · User Research · User Interviews
Front-End Development	JavaScript · TypeScript · React · HTML5 · CSS3 · Tailwind CSS
Back-End Development	Node.js · Express · GraphQL · REST APIs
Databases	MongoDB · SQL · Supabase
Testing & QA	Jest · Playwright · Exploratory Testing · Localisation Testing · Jira
Tools & Platforms	Git · GitHub · Vercel · Railway · CI/CD · Agile · Scrum
Other	Flutter · Java · Cloudflare Workers · Sanity.io · Stripe

WORK EXPERIENCE

Localization Tester

Electronic Arts (EA) · Madrid, Spain

Jun 2023 – Aug 2023 · Jun 2024 – Aug 2024 · Jun 2025 – Aug 2025 · Jun 2026 – Aug 2026 (Seasonal Contracts)

- Tested localisation quality for FIFA and EA FC titles across Swedish and English markets.
- Identified, documented, and tracked software bugs using Jira in a fast-paced QA environment.
- Collaborated with international QA teams to meet release deadlines and quality standards.
- Consistently rehired each season based on performance and reliability.

Interaction Designer

Gota Media AB · Kalmar, Sweden

Jun 2021 – Dec 2022

- Designed user-centred digital solutions for media clients, owning projects from discovery through to delivery.
- Conducted accessibility research to support WCAG 2.1 compliance in development workflows.
- Led user research and usability testing to validate design decisions.
- Helped establish UX team processes and documentation standards to improve team efficiency.

Sales Advisor

Webhelp Nordic · Sweden

Feb 2021 – Jun 2021

- Delivered customer service and sales support in a high-volume contact centre environment.

Interaction Design Intern

Gota Media AB · Kalmar, Sweden

Sep 2019 – Jan 2020

- Supported the UX team with design work, user research, and prototyping as part of a university internship placement.

Secretary

Prima Ingenjörer, Linnaeus University · Kalmar, Sweden

Feb 2018 – Feb 2019

- Served as secretary for the LNU student engineering association, handling administration and meeting minutes.

EDUCATION

Web Developer Programme
Linnaeus University (LNU) · Kalmar, Sweden
Sep 2024 – Jun 2026

- Two-year higher vocational programme focused on full-stack web development.
- Core subjects: JavaScript, TypeScript, React, Node.js, Express, MongoDB, SQL, REST APIs, GraphQL, web security, testing (Jest, Playwright), CI/CD pipelines, and agile methodologies.
- Capstone project: Designed and developed a full-stack children's birthday party planning application for a real client, built solo using React Router v7, Supabase (with Row Level Security), Stripe, Tailwind CSS, and Cloudflare Workers.

Bachelor of Science — Interaction Design
Linnaeus University (LNU) · Kalmar, Sweden
Sep 2017 – Jun 2020

- Three-year programme covering the full UX design process from research to delivery.
- Core subjects: user research, user interviews, interaction design, prototyping, usability testing, accessibility (WCAG), information architecture, and visual design.
- Internship at Gota Media AB (Sep 2019 – Jan 2020), applying academic UX methods in a professional media environment.

Technology Programme — Media & Design
Lars Kagg Gymnasiet · Kalmar, Sweden
Aug 2014 – Jun 2017

- Upper secondary technical programme with specialisation in media and design.
- Extended with English 7 and Customer Service electives.
